Le tonalità dei colori è influenzata dal video che non assicura una reale corrispondenza, si suggerisce pertanto di valutarli sulla base dei campioni reali disponibili presso la rete vendita.

The shades of the colors is influenced by the video which does not ensure a real correspondence, it is therefore suggested to evaluate them on the basis of the real samples available from the sales network.

Les nuances des couleurs sont influencées par la vidéo qui ne garantit pas une correspondance réelle, il est donc suggéré de les évaluer sur la base des échantillons réels disponibles sur le réseau de vente.

Die Farbtöne werden durch das Video beeinflusst, das keine echte Übereinstimmung gewährleistet, daher wird empfohlen, sie auf der Grundlage der im Vertriebsnetz verfügbaren realen Muster zu bewerten.

Los tonos de los colores están influenciados por el video, lo que no garantiza una correspondencia real, por lo que se sugiere evaluarlos sobre la base de las muestras reales disponibles en la red de ventas.
